From the Diocese

Illinois State lawmakers expected to vote on physician assisted suicide legislation in early January.

Assisted Suicide Incentivizes Denying Treatment

Insurance companies have turned down coverage for cancer treatment but offered to pay for suicide drugs instead. Furthermore, the disabled community already faces demoralization and oppression in seeking adequate medical care. Assisted suicide encourages this kind of prejudice (sic). iAccess Living, Progress Center for Independent Living and the National Council on Disability oppose assisted suicide. People need quality medical care and treatment, not assisted suicide. Tell your state legislators to **Vote NO on SB 3499- assisted suicide**. Visit www.ilcatholic.org for additional information and resources.

SAVE THE DATE for the Illinois Pro-Life March and Mass for Life on March 25, 2025 at the Sangamon Auditorium on the campus of the University of Illinois Springfield and then the streets around the Statehouse in Springfield.
